

2018 IIMS Community Engagement Symposium:

COMMUNITY - CAMPUS PARTNERSHIPS TO IMPROVE EQUITY

Free!

Community members, students, health care practitioners, and researchers are welcome!

Plenary Presentation

Values. Voice. Individual differences. Choosing All Together (CHAT) is an interactive serious game that aims to engage ordinary persons in informed, inclusive deliberation about complex and value-laden allocation decisions. The DECIDERS is a diverse group of individuals dedicated to the improvement of health across the state of Michigan by enabling the community to have a voice in health research decisions and spending priorities.
