

# WHAT TO EXPECT WHEN YOU RETURN TO CAMPUS

## SAFETY PRACTICES TO PROTECT ALL OF US FROM THE SPREAD OF COVID-19

### SCREENING

- » You will be **screened daily** at limited entry points across campus.
- » **Temperature** will be taken and you'll be asked brief questions about symptoms/risks.
- » Daily screening **verification** in the form of a dated sticker must be placed on badge for re-entry onto campus.
- » You are expected to wear a **mask on campus**, inclusive of at screening points and when entering the buildings. Building entry requires a mask.
- » Note the designated markings at 6 feet; only **proceed forward** once the person ahead moves forward.

### MASKS

- » Masks must be **worn** at all times on campus.
- » Cloth masks effectively **prevent spray** and are available for employees. Managers can email [CVPPE@uthscsa.edu](mailto:CVPPE@uthscsa.edu) to receive tracked allotment.
- » Clinical and patient-facing staff will receive appropriate masks for **maximum safety** precaution. 
- » You will be responsible for cleaning and maintaining the **institutionally-provided** cloth mask. No replacement mask will be provided if the cloth mask is lost or destroyed.

### CLEAN & DISINFECT

- » Doors, elevators, restrooms and other high-touch public spaces are **disinfected** multiple times daily.
- » Hand **sanitizer machines** are located near entry points to the campus.
- » **Cleaning kits** are available for supplemental cleaning in departments.

### SOCIAL DISTANCE

- » Maintain a **safe distance** (6 feet) between you and your colleague. Passing or standing near colleagues within 6' of each other, when masked, has little risk of infection.
- » Use helpful technology like **Microsoft Teams** for meetings and conversations. 
- » Limit **elevator** passengers to 3 or less.

### BE HEALTHY, BE CLEAN

- » Soap is very effective. **Wash hands** often.
- » Employee Health & Wellness available for health needs and testing: **210-450-8000**.
- » A significant number of resources are available for you. Visit the COVID 19 site [UTHealthSA.com/coronavirus](https://UTHealthSA.com/coronavirus) to find the complete list.

### IMPORTANT CONTACTS

- » Nurse Triage HOTLINE: **210-450-8000**
- » Environmental Health Services: **210-567-2960**
